

Bremas type: **TYPE92C**

Materials

Housing	PA6 + GF flame retarded V2
Base	PA6 + GF flame retarded V2

Technical data

Module with diode and red led	
Without protection against polarity inversion	
Possible feeding AC or DC power supply	
Weight	2,9g.
Conformity	RoHS compliant (Directive 2011/65/EU)

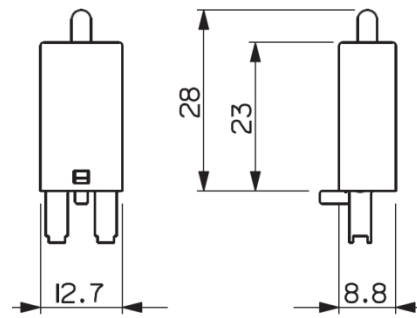

Electrical data:

Voltage	110/230 V AC/DC
Component	diode 1A/1000V – led – resistor 47KW 1W – varistor 275V AC
Polarized	not for AC – yes for DC (A2- A1+)

Dimensions

Measures in (mm)

Electrical scheme
